BILL NUMBER: HB 1087

NOTE PREPARED: Jan 2, 2013

BILL AMENDED:

SUBJECT: Transportation of Household Effects and Furniture.

FIRST AUTHOR: Rep. Davis

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: **GENERAL**
 X DEDICATED
 FEDERAL

IMPACT: State

Summary of Legislation: The bill provides that the law regarding certification of motor carriers providing intrastate transportation of property by motor vehicle does not apply to motor vehicles that are used to provide transportation for household effects or furniture for compensation.

Effective Date: July 1, 2013.

Explanation of State Expenditures: The bill affects the Department of State Revenue (DOR) and the Indiana State Police, as both agencies regulate the activities of motor carriers for the state. Under the bill, intrastate household movers no longer have to submit documentation to the DOR Motor Carrier Service to apply to be a certified motor carrier. All other reports to DOR that are required of certified motor carriers would no longer apply.

Exempting intrastate household movers from the certification requirement removes the potential penalty provision under the law for these individuals. Current law stipulates that individuals who do not comply with the law will be assessed a penalty of \$100 for the first violation and \$1,000 for each subsequent violation. Penalties collected are deposited in the Motor Carrier Regulation Fund.
